

## Built-In Model 661 Side-by-Side

**Model 661 is our smallest side-by-side refrigerator/freezer. The built-in design at true cabinet depth, allows easy access to every inch of the interior. The Sub-Zero dual refrigeration system assures superior food preservation and no odor transfer. Model 661 is available in the framed, overlay and stainless steel design applications and in three stainless steel finishes.**

### Features

- Framed, overlay and stainless steel design applications
- Stainless steel design available in classic, platinum and carbon finishes
- Dual refrigeration system
- Electronic digital controls
- Bright interior lighting
- Adjustable, spill-proof glass shelves and adjustable door shelves
- High-humidity crisper drawer
- Door alarm
- Automatic ice maker
- Front venting allows unit to be completely built in and serviced from the front
- Meets strict Department of Energy requirements

With the installation of a harness kit, this appliance is certified by Star-K to meet strict religious regulations in conjunction with specific instructions found on [www.star-k.org](http://www.star-k.org).

\*Height with standard 11" grille.

\*\*Based on 9.06 cents per kilowatt hour.

### Installation Specifications

Dimensions in parentheses are in millimeters unless otherwise specified.

### Installation Notes

For framed and overlay models, you will be adding door panels for a custom look. Overlay models also allow you to match surrounding cabinetry hardware and the panel grille accepts custom panel inserts.

Complete installation specifications, including panel sizes, can be found on our website, [subzero.com](http://subzero.com).
